JIMMY WATSON MEMORIAL TROPHY WINNER (1992)

1991	Seppelt 'Harper's Range' Cab Sauv, Malbec		30 75ml / 60 150ml

Cabernet Sauvignon from Coonawarra and Malbec from Langhorne Creek, sourced from everyday growing grapes rather than eliste single-vineyard plots is exactly what made its Jimmy Watson Trophy win such a massive shock. Chief Winemaker at the time, Ian McKenzie, famously and cheerfully admitted that he was incredibly surprised by the judges' choice, and that the judges "got it wrong"!

Schneider

Spätburgunder = Burgundy Style without the hefty price tag... Weingut Schneider hold six hectares in the Weiler Schlipf, the most south-westerly single vineyard site in Germany, directly on the Swiss border. This Weiler Schlipf is in danger of disappearing, the soil consisting of impermeable sandstone slabs covered by a layer of limestone and clay. This steep slope is slowly sliding (in local dialect: "schlipft") down... so let's drink the wines whilst we can!

"Our winemaking methods have changed little over time. Spontaneous fermentation, extended time on lees, minimal sulphur use and unfiltered wines are not new fads or trends for us, but lived family tradition." ~ Johannes and Christoph Schneider.

HENTLEY FARM

Established in 1997, It's all about the site here – undulating slopes, red clay soils, and creek-lined vineyards.
Each small vineyard block, even though close to each other, are unqiue and strikingly different in their own ways. All vineyards are managed individually, resulting in wines of exceptional balance, texture, and site expression, then crafted by winemaker Andrew Quin to reflect a focus on single-site expression, balance, and Barossa Shiraz at varying levels of power and finesse.

YALUMBA

A Letter from Winemaker Kevin Glastonbury

The Caley has certainly made an impact since the first vintage of 2012 was released in June 2017. Where has that time gone?. The Caley was released to honour Fred Caley Smith, who was the first born of the 3rd generation of the Smith family. Fred was a horticulturist who travelled the globe in 1893 and 1894, exploring new markets for all Yalumba produce and set the company on a path of sustainable grape growing and winemaking. His adventures and findings are still followed and talked about today! The current vintage of 2018 The Caley has had amazing reviews and continues to fly the flag as our flagship wine.

Furthermore the FDR1A wines has always celebrated the high country and slightly cooler region of Eden Valley.

The very first vintage release of FDR1A was from the 1974 vintage. Many people still today, ask why is it called FDR1A? Very simply, back in 1974, it was the first batch of Fine Dry Red grapes that came into the winery!

That first wine was amazing and still drinks well today. In fact it was such a good wine, that it then took over 30 years until the label was resurrected again with the release of the 2004 FDR1A. The 2016 and 2018 are both regarded as terrific Barossa vintages and perfectly reflect the cooler region.

Regards,

KG

JIMMY WATSON MEMORIAL TROPHY WINNER (2022)

2021	Hentley Farm 'The Old Legend' Grenache	Barossa Valley, South Australia	300

We are proud to list the 2022 Jimmy Watson Memorial Trophy Winner – vintage 2021 Hentley Farm 'The Old Legend' Grenache. Exclusively available to us direct from the winery, this Grenache is one of the more important modern Australian Grenache right now – sitting right in the intersection of serious winemaking, recognition and Barossa Grenache revival.

Sourced from Seppeltsfield in the heart of Barossa, the wine is medium bodied, textural, red fruited and spice driven. The style is deliberately elegant, lifted, and aromatic rather than dense or jammy with an amalgamation of strawberry, red currant, Turkish delight, rose petal, and fennel seed.

This elegance and myriad of complexity comes from winemaker Andrew Quin's style and winemaking techniques: detailed parcel approach is taken – fruit picked in multiple vineyard passes, partial whole bunch to add perfume & spice, partial extended maceration, with separate ferment components blended after maturation giving a more layered approach than a typical Barossa Grenahche. Truly an excellent luxury Australian benchmark wine.
