

We believe that true luxury begins with provenance and is realised through mastery.

Every detail — from the world’s most exceptional Wagyu to our carefully curated wine collection — is chosen with purpose, guided by a deep respect for craftsmanship and an unwavering pursuit of excellence. We honour the stories behind every producer, every vintage, and every cut, bringing them together in an experience that is refined, immersive, and unmistakably memorable.

With gracious hospitality at the heart of all we do –  
remarkable ingredients, timeless skill, and quiet indulgence unite in celebration of the extraordinary.

We use the Coravin preservation system for all our wines by the glass, ensuring they are served exactly as the winemaker intended.

JIMMY WATSON MEMORIAL TROPHY WINNER (1992)

 1991 Seppelt 'Harper's Range' Cab Sauv, Malbec 30 75ml / 60 150ml

Cabernet Sauvignon from Coonawarra and Malbec from Langhorne Creek, sourced from everyday growing grapes rather than elite single-vineyard plots is exactly what made its Jimmy Watson Trophy win such a massive shock. Chief Winemaker at the time, Ian McKenzie, famously and cheerfully admitted that he was incredibly surprised by the judges' choice, and that the judges "got it wrong"!

## *Schneider*

Spätburgunder = Burgundy Style without the hefty price tag... Weingut Schneider hold six hectares in the Weiler Schlipf, the most south-westerly single vineyard site in Germany, directly on the Swiss border. This Weiler Schlipf is in danger of disappearing, the soil consisting of impermeable sandstone slabs covered by a layer of limestone and clay. This steep slope is slowly sliding (in local dialect: "schlipft") down... so let's drink the wines whilst we can!

"Our winemaking methods have changed little over time. Spontaneous fermentation, extended time on lees, minimal sulphur use and unfiltered wines are not new fads or trends for us, but lived family tradition." ~ Johannes and Christoph Schneider.

## MOUNT MARY

YARRA VALLEY EST 1971

Founded in 1971 by the Middleton family, Mount Mary is one of the most respected producers in the Yarra Valley, renowned for elegant, age-worthy wines inspired by classic Bordeaux. Its flagship "Quintet," first released in 1976, blends Cabernet Sauvignon, Merlot, Cabernet Franc, Malbec and Petit Verdot, and is widely regarded as one of Australia's finest Cabernet blends, celebrated for finesse, balance and exceptional longevity.

The 2023 Quintet is youthful and refined, with bright cassis fruit, freshness and impressive cellaring potential from a cooler vintage. The highly regarded 2016 vintage is now drinking beautifully, showing layered dark fruit, cedar and graphite with finely integrated tannins. The 2001 Quintet offers mature complexity, with tobacco, earth and savoury tertiary notes developed over two decades of ageing. Across vintages, Quintet has earned consistent critical acclaim, including Halliday recognition and numerous 95+ point reviews.

## SHIRAZ & SYRAH

### HENTLEY FARM

Established in 1997, It's all about the site here - undulating slopes, red clay soils, and creek-lined vineyards.

Each small vineyard block, even though close to each other, are unique and strikingly different in their own ways. All vineyards are managed individually, resulting in wines of exceptional balance, texture, and site expression, then crafted by winemaker Andrew Quin to reflect a focus on single-site expression, balance, and Barossa Shiraz at varying levels of power and finesse.

From the generous, contemporary expression of Grand Tourer to the depth, structure and age-worthy complexity of Command across multiple vintages, each wine reflects the Ashmead family's enduring commitment to site and craftsmanship. Together, they capture the richness and pedigree that define Barossa Shiraz at its finest.

## YALUMBA

### A Letter from Winemaker Kevin Glastonbury

The Caley has certainly made an impact since the first vintage of 2012 was released in June 2017. Where has that time gone?. The Caley was released to honour Fred Caley Smith, who was the first born of the 3rd generation of the Smith family. Fred was a horticulturist who travelled the globe in 1893 and 1894, exploring new markets for all Yalumba produce and set the company on a path of sustainable grape growing and winemaking. His adventures and findings are still followed and talked about today! The current vintage of 2018 The Caley has had amazing reviews and continues to fly the flag as our flagship wine.

Furthermore the FDR1A wines has always celebrated the high country and slightly cooler region of Eden Valley.

The very first vintage release of FDR1A was from the 1974 vintage. Many people still today, ask why is it called FDR1A? Very simply, back in 1974, it was the first batch of Fine Dry Red grapes that came into the winery!

That first wine was amazing and still drinks well today. In fact it was such a good wine, that it then took over 30 years until the label was resurrected again with the release of the 2004 FDR1A. The 2016 and 2018 are both regarded as terrific Barossa vintages and perfectly reflect the cooler region.

Regards,

*KG*

 JIMMY WATSON MEMORIAL TROPHY WINNER (2022) 

2021	Hentley Farm 'The Old Legend' Grenache 	Barossa Valley, South Australia	350
2024	Hentley Farm 'The Old Legend' Grenache	Barossa Valley, South Australia	150

We are proud to list the 2022 Jimmy Watson Memorial Trophy Winner – vintage 2021 Hentley Farm 'The Old Legend' Grenache. Exclusively available to us direct from the winery, this Grenache is one of the more important modern Australian Grenache right now – sitting right in the intersection of serious winemaking, recognition and Barossa Grenache revival.

Sourced from Seppeltsfield in the heart of Barossa, the wine is medium bodied, textural, red fruited and spice driven. The style is deliberately elegant, lifted, and aromatic rather than dense or jammy with an amalgamation of strawberry, red currant, Turkish delight, rose petal, and fennel seed.

This elegance and myriad of complexity comes from winemaker Andrew Quin's style and winemaking techniques: detailed parcel approach is taken – fruit picked in multiple vineyard passes, partial whole bunch to add perfume & spice, partial extended maceration, with separate ferment components blended after maturation giving a more layered approach than a typical Barossa Grenache. Truly an excellent luxury Australian benchmark wine.
