YALUMBA

A Letter From The Winemaker

KEVIN GLASTONBURY

What an honour (and how exciting) to be asked to head up the Steer Dining Room feature page with our Yalumba Cabernet Sauvignon and Shiraz wines! FDR1A, The Signature and The Caley are 3 very special wines in the Yalumba portfolio. One important reason why these wines are very special is that, stylistically they are an absolute food match with great steak. Not just any steak, but the impressive range of dry aged Full Blood Wagyu available at Steer.

The Caley has certainly made an impact since the first vintage of 2012 was released in June 2017. Where has that time gone? The Caley was released to honour Fred Caley Smith, who was the first born of the 3rd generation of the Smith family. Fred was a horticulturist who travelled the globe in 1893 and 1894, exploring new markets for all Yalumba produce and set the company on a path of sustainable grape growing and winemaking. His adventures and findings are still followed and talked about today! The current vintage of 2018 The Caley has had amazing reviews and continues to fly the flag as our flagship wine.

The Signature continues on its merry way, with recent great vintages of 2016 and 2018 setting the tone for the brilliant 2019, regarded as one of the best The Signature releases for many years. This is such a great Barossan wine, always so highly regarded and as always with such a unique story behind the label. The 2019 honours 2 long serving Yalumba-ites, Robin Nettlebeck, our retired chief viticulturist and KG (me!) maker of the majority of Yalumba premium reds, what an honour!

And finally we get to the **FDR1A** wines. This label has always celebrated the high country and slightly cooler region of Eden Valley. The very first vintage release of FDR1A was from the 1974 vintage. Many people still today, ask why is it called FDR1A? Very simply, back in 1974, it was the first batch of Fine Dry Red grapes that came into the winery! That first wine was amazing and still drinks well today. In fact it was such a good wine, that it then took over 30 years until the label was resurrected again with the release of the 2004 FDR1A. The 2016 and 2018 are both regarded as terrific Barossa vintages and perfectly reflect the cooler region.

One final point to mention is that Yalumba is unique in Australia in having its very own barrel making facility [cooperage]. As a winemaker, this is such a privilege to have an onsite cooperage where we can create unique barrels that will impart the right aromas and characters to highlight each particular style of our wine. Just one of the many things that set Yalumba apart!

Regards,

KG

Cabernet Sauvignon & Blends

Wine of the World

The creation of this limited release cabernet merlot began as a quest to create something real, different, and aspiringly lofty, together with Penfold's trusted partner Dourthe Bordeaux.

MV	Penfolds x Dourthe II	Bordeaux & South Australia	1500
----	-----------------------	----------------------------	------

2020 merlot from the soils of Bordeaux blended with 2021 cabernet sauvignon from distant vineyards in South Australia. Medium-bodied, savoury and complex.

2022	Penfolds x Dourthe II	Bordeaux & South Australia	1200
------	-----------------------	----------------------------	------

The French component of this wine was made at two of the Dourthe-owned wineries. Australian components of this wine were made at Penfolds Nuriootpa Winery (South Australia).
